

Sinclair Broadcasting's should not be allowed to force their stations to air an anti-Kerry documentary just days before this or any election. Sinclair has no interest in what is good for the American citizens. Their sole purpose is to push their agenda onto the American people through the public airwaves.

Americans should not be forced to watch these type of anti-candidate ads over the public airwaves.

Sinclair is a great example why the rules of media ownership should be strengthened and not weakened.

Thank you.
